OLD BOYS' ASSOCIATION,

1934-35.
List of Officers,
Committees, and Members,
Rules, etc.

:: REPORT and ::
BALANCE SHEET
For 1933-34.

Secretaries' Report, 1933-34.

Membership. There has been an increase of 56 in the number of Life-members. The total membership is now approximately 860, representing an increase of 60 on last year.

Entertainments. The informal gatherings held in November and February were attended by some 30 members, who, on both occasions, left the School at a later hour than previously on these occasions. An arrangement was made by which the November meeting only should be held on the second Friday of the month to avoid clashing with the School's half-term holiday. The Dance of 9th December was well attended. The simultaneous presence in the School of the Old Centurians at their annual dinner, though straining the capacities of the building, added much to the joviality of the evening. On March 2nd the attendance at Mr. Tiffen's Farewell Supper, which filled the School Dining Hall, reflected the esteem in which his services are held by every member of the Association.

The Cricket Club reports a successful season, and hopes to have an improved fixture list next season. Of 22 games, 9 were won, 11 lost, and 2 drawn, while 9 were cancelled. The Club would be glad of the services of a regular umpire. It still has room for more playing members. Those who leave the School in the near future are invited to join. Cordial thanks are expressed to all who have made possible the running of the Club. It is hoped to raise money this winter for some improvements at Greenbank Park.

The Association Football Club has progressed again further from last season, holding the topmost place in the Zingari League for most of the season, and only being defeated for promotion on goal average by the result of the last game. The three Old Boys' League Teams have also done well, each finishing fifth in its respective division. Of the 113 matches played 61 were won, 12 drawn. With the kind co-operation of the Directors of Messrs. Alfred Holt and Co. the first and second teams will again play at Riversdale Road during the coming season. Thanks to the Headmaster and the Staff, the third and fourth elevens will again play at Mersey Road. The next step is a fifth eleven, which will be put into practical form as soon as numbers warrant it. Owing to his retirement from the School, we have regretfully accepted the resignation of our Chairman, Mr. Tiffen, but for whose efforts there might now be no reason for these notes. For his enthusiasm we wish to thank him, and welcome his successor, Mr. E. G. Broadbent. We are pleased to announce the Headmaster as President of the Club, and Mr. W. H. Doughty as a Vice-President.

The Old Boys' Gymnasium Class has continued its Thursday evening meetings very satisfactorily. The Old Boys lent variety to the School Gymnasium Display in December. Under Mr. Stell's instruction there has been a wide programme of Swedish movements, Apparatus and Box Horse work, Indian Clubs and Basket Ball. Any further members are cordially invited and asked to communicate with Mr. J. W. Prowting, 3, Truro Road, Wavertree, 15. A term's subscription is 5/-.

The Florence Institute has had a more eventful year than usual. The use of the building in the day time as a Junior Instruction Centre for unemployed youths proved so successful that the demand for places soon exceeded the supply. An extension of the scheme is projected during the coming year. The centre was visited in January by H.R.H. the Duke of Gloucester, who congratulated us on having the finest premises for a boys' club which he had seen.

Later in the year we had a change of Warden, as Mr. Molyneux took up other work and was replaced by Mr. F. Newton. The latter has made a vigorous start, and will welcome as much help as possible from our Old Boys. To those who have helped in the past, both by service and by subscriptions, we offer our hearty thanks.

The School Orchestra, under the leadership of Mr. A. D. Rose, would welcome more members from the School. At present the number of Old Boys is very small.

London Group of the Association. Mr. R. A. Bebb, 41, Tytherton Road, Tufnell Park, London, N.19, has kindly consented to act as Secretary in this matter. It is hoped to arrange a Dinner, or similar function, for any interested in the formation of such a Group of the Association. Those, and they must be many, who would like to see a London Group, are urged to communicate with Mr. Bebb at the above address, and to give him their help in what will be, at first, no easy task. In future a list of members of this Group, together with its officers, will be printed in the Members' List. This year, owing to pressure of time, this has been found to be impossible.

It is with profound regret that we have to record the death of our President, Sir Donald MacAlister of Tarbert, K.C.B.
